Heard it from a friend that you was out last night
Tried to get a hand on every... in sight
Talkin' bout your stuff and all the girls you tap
Now why'd you have to go and do a thing like that?

You think you're such a big man
You think that you're the first one to see my... (to feel
my...)
But now boy, you can kiss my ooo...

I'm not your bitch, I'm not your ho
I got your friends all knocking at my door
I'll take my bic and burn your shit
I even heard your mama wanted some of this
So if you think that you're the shit
You better check cause I was faking it
Oh, yes I did, I always did, now who's my...

Girlfriends always told that you would not last
You gave them all your numbers but they won't call
back
Silly boys they play together, crazy girls we stick
together
Everybody say whatever if you know somebody like...

You think you're such a big man
You think that you're the first one to warm my (Ooo!)
(Look at my...)
Then how you gonna handle all that, Oh please boy

I'm not your bitch, I'm not your ho
I got your friends all knocking at my door
I'll take my bic and burn your shit
I even heard your mama wanted some of this
So if you think that you're the shit
You better check cause I was faking it
Oh, yes I did (mmm, mmm-mmm),
I always did, now who's my bitch?

I can't stand how these guys keep acting
Now I'm real sorry, I feel so cold

Give them shelter and give them chances
Now ladies show them how it goes
Put him out just like a little ho

I'm not your bitch, I'm not your ho
I got your friends all knocking at my door
I'll take my bic and burn your shit
I even heard your mama wanted some of this
So if you think that you're the shit
You better check cause I was faking it
Oh, yes I did (mmm, mmm-mmm),
I always did, now who's my bitch?
