Tu veux dire wow (non, non)
Don't you wanna go wow?

Close your mouth just shut up
Let my fingers talk (this party is naughty, it's turning
nice to naughty)
Are you gonna stand around and watch?
There's just one thing 'bout it (???)
(Your looking delicious, don't think I can resist it)
Oh

(CHORUS)

Don't you wanna go wow
Why are you waiting
Don't you wanna go wow
I'm not into thinking
I can be bad, like a habit
Blow your world, like a cannon
So irresistible, make you lose control
Don't you wanna go wow (x2) (make you lose control)

Shut your eyes free your mind, and lose yourself (get
in this fantasy featuring you and me)
You don't need to try to turn me on
I'm already thinking 'bout it (stop lickin' your lips and
start getting what you're missing)
Oh, oh, oh, oh

(CHORUS)

Don't you wanna go wow
Why are you waiting
Don't you wanna go wow
I'm not into thinking
I can be bad, like a habit
Blow your world, like a cannon
So irresistible, make you lose control
Don't you wanna go wow (x2) (make you lose control)

Qu'est-ce que tu attends
Tu veux dire wow (non, non, non..)
J'aime pas, tu fais semblant

Tu sais que tu perds le contr le
Je sais que tu vas dire wow

(CHORUS)

Don't you wanna go wow
Why are you waiting
Don't you wanna go wow
I'm not into thinking
I can be bad, like a habit
Blow your world, like a cannon
So irresistible, make you lose control
Don't you wanna go wow (x2)
Wow
