I only see things black and white
Never shades of gray
My eye don't work that way, no
I can't imagine fantasies
They never cross my mind
Could be why I'm lonely time to time
Only you
Only you can reach me now
Can you teach me how

Teach me how to dream
Help me make a wish
If I wish for you
Will you make my wish come true
I'm a stranger here
Strange as it may seem
Take me by the heart
Teach me how to dream

You lift me up and give me hope
every single day
I never dreamed that I
Could feel this way
When I'm down
I know where I am, 'cause I'm gonna turn
I've got so much to learn

Teach me how to dream
Help me make a wish
If I wish for you
Will you make my wish come true
I'm a stranger here
Strange as it may seem
Take me by the heart
Teach me how to dream

And when I turn out the lights
I turn to you for my inspiration
Long as we're together
You and me
We're gonna dream forever

Teach me how to dream
Help me make a wish
If I wish for you
Will you make my wish come true
I'm a stranger here
Strange as it may seem
Take me by the heart
Teach me how to dream
