I'm a gigolo, I'm Joseph
I'm a satellite of sun
I'm everybody that I know
Being known for being wrong
And if I'm not mistaken
This is my heart breaking
I'm a man who threw it all away
Destiny is calling
Telling me to be boring
And I don't care
Anyway
Gonna be nobody someday
Gonna be nobody someday

I'm the demon that you fear
I'm the joker, I'm the thief
I'm a lonesome cowboy rider
I'm the indian chief
Got to watch my figure
Boy, if I get much bigger
They'll stick a pin on me
And I'll blow away
But I get richer
While they take my picture
Taking my soul away
Gonna be nobody someday
Gonna be nobody someday

I'm a moonlight serenade
I'm your bed when you're crawled
I'm the captain of Titanic
I'm the passenger in the hall
And from the way I'm thinking
We'd both be sinking
And knew before we sailed away
At the tip of my ego
It's all you saw anyway
Gonna be nobody someday
Gonna be somebody laa laa
