People talking, and they're saying that you're leavin'

You're so unhappy with the way that you've been livin'

Chorus:

Oh oh oh - we always wish for money, we always wish  
for fame

We think we have the answers, some things ain't ever  
gonna change

(Change) it doesn't matter who you are, it's all the  
same

(Change) what's in your heart will never change

Look in the mirror, and see how you've been taken

Ooh you won't surrender, but now your heart is breakin'

(chorus)

(Solo)

Do you remember when you got your lucky break

You're looking back now, and it seems like a mistake

(chorus)

It's only change (change) it doesn't matter who you  
are, it's all the same

(Change) what's in your heart will never change

It doesn't matter who you are, it's all the same

(Change) what's in your heart will stay the same

It doesn't matter who you are, it's all the same

(What's in your heart) it's only, it's only, it's only change

Never (it doesn't matter), you ain't gonna, you ain't  
gonna change

(What's in your heart) you ain't gonna change... (to  
fade)
