In this world of right and wrong, the hardest part is
beginning

By the time you find where you belong, you're either
losing or winning

Well I don't know how, but people seem to know

When you want somebody bad enough

Well I want you now and wherever you go

I'm gonna love ya till you've had enough, 'cos

Chorus:

If everyone had a heart, yours would never be broken

If anybody had a heart like mine

People treat you like the clothes you wear, they only
see what you show them

Let them talk, baby I don't care, they don't know where
we're goin'

I love you so much, and I have for so long, how could
anybody doubt it?

Oh just one little touch, this love is so strong

Baby how can we live without it?

(chorus)

When you love somebody, you may stumble, you may
fall

But if you love somebody hard enough, maybe you can
get it all

(Solo)

(chorus) - anybody in the world

(chorus) - if anybody had a heart (repeats out)
