You used to celebrate it
When I came in at 6 a.m.
Ooh babe I could never really fake it
'Cause I was in love again

Love don't prove
Love don't prove I'm right
Love don't prove
Love don't prove

You used to sing and shout it
Showing me what you got
Ooh babe I could never really doubt it
'Cause baby you got such a lot

Love don't prove
Love don't prove I'm right, no no
Love don't prove
Love don't prove

Ooh you used to celebrate
Ooh now you have to wait
You're gonna wait, yeah

Love don't prove
Love don't prove I'm right
No no no no no no
Love don't prove
Love don't prove

If you need a hand to guide you
Let me be your northern light
You could give me all of your lovin'
And I'll make everything alright

Love don't prove
Love don't prove I'm right
No no no
Love don't prove
Love don't prove I'm right

Love don't prove

Love don't prove that I'm right
No no no no no
Oh yeah
