Workin' overtime just to keep myself from getting  
sacked  
Well I don't like my job, tell the boss to shove it, I ain't  
goin' back  
Just like Gene Vincent, I'm longin' to prove, I know what  
I need this time  
Me and my girl together, yeah, Saturday night, oh  
yeah, Saturday night  
Lookin' at my watch, tap my fingers, wishin' time would  
fly  
Gonna look so sharp, she and I will turn some heads as  
we walk by  
And just like [Deniro], I wait for [still life] to move out of  
my mind tonight  
I might suddenly all feel better, Saturday night, oh  
yeah, Saturday night, ow  
(Solo)  
And I feel like the rain on the edge of a rhyme, on the  
streets of shame  
Forever in an instant, Saturday night, oh yeah,  
Saturday night  
Monday, Tuesday, Wednesday, Thursday, Friday night  
Crossin' out the days in my brain, gonna get it good,  
gonna get it right  
Ain't it just like [Deniro], to be dancin' in the streets  
I know what I need this time  
Me and my girl together, ow, yeah, Saturday night, oh  
yeah, Saturday night  
Saturday night, oh yeah, alright, alright, oh yeah,  
alright, alright...  
Saturday night!
