You left me here alone, I guess I'll never see the light

You turned another stone and he makes your wrong  
seem right

On some different wavelength, somehow he brings you  
more

Sweetheart tonight I know for sure

Chorus:

I'll see those tears, and the damage they do

You're breaking my heart with those tears, and I'm  
crying over you

Can we make a new start? Of all the girls I've had at my  
knees

You're the only one, who could bring me to these tears

A master of the beat, you've got my number in your  
hands

A killer on the streets, you've got your actions planned

But somewhere in your heart there must be a place for  
me

Sweetheart tonight I know for sure

(chorus)

(Solo)

I'm lookin' at you, you're lookin' at me

You won't let me go, but you won't set me free

Of those tears, and the damage they do

You're breaking my heart with those tears, and I'm  
crying over you

Cry for you tonight, I'll cry you a river

I'm gonna - cry for you - I'm gonna cry you a river

Cry you a river - tonight - cry for you - I'm gonna - cry  
for you tonight

Cry for you - I'm gonna - cry you a river - cry for you, cry  
for you tonight
