Sometimes I wonder  
If I'd ever make it through  
Through this world  
without having in you  
I just wouldn't have a clue  
Cause sometimes it seems  
Like this world's closing in on me  
And there's no way of breaking free  
And then I see you reach for me  
Sometimes I wanna give up  
Wanna give in  
I wanna quit the fight  
And then I see you baby  
And everything's alright  
Everything's alright  
When I see you smile  
I can face the world  
Oh you know I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining

right through the rain

When I see you smile

Baby when I see you smile at me

Oh yeah

Baby there's nothing in this world that could ever do

What the touch of your hand can do

It's like nothing that I ever knew

Hey

And when the rain is falling

I don't feel it

Cause you're here with me now

I wanna ask you baby

It's all I'll ever need

All I'll ever need

When I see you smile

I can face the world

Oh you know I can do anything

When I see you smile

I see a ray of light

Oh I see it shining

right through the rain

When I see you smile baby

Baby when I see you smile at me

Sometimes I wanna give up

I wanna give in

I wanna quit the fight  
Then one look at you baby  
And everything's alright  
Hey everything's alright  
It's alright  
When I see you smile  
I can face the world  
Oh you know I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining  
right through the rain  
Yeah  
When I see you smile  
Yeah I can face the world  
Oh you know I can do anything now  
When I see you smile  
Oh yeah  
Baby when I see you smile  
Smile at me
