Later alligator - in a while crocodile  
With a big fat smile cos I'm in denial  
Skip skip heart attack oh my god look at that she's  
found another lair

Cigarette burns not it's romance turn  
No one gave me warning that this love thing hurts  
Shock shock horror horror spill spill red wine down my  
shirt

whoaaa, yeahhh  
I no longer wish to fall in love,  
I can tell you I like you very much,  
And I no longer wish to get married,  
I can tell you besides you'll be buried

Flashy fancy face and a big bank balance  
Sip my blood through his golden chalice  
Chase Chase Chase to erase your face  
And now it's tick tock boom  
Boom boom boom realigned my zoom  
Hope she thinks I look well groomed  
Rock Paper Scissors Scissors cut cut cut, cut it out of  
my life

I no longer wish to fall in love,  
I can tell you I like you very much,  
And I no longer wish to get married,  
But I can tell you besides you'll be buried

This is the saddest, saddest song you'll ever hear  
This is the saddest, saddest song you'll ever hear

Thank you very much

I've got a plan how to get her back,  
Strategy Ching Chong Cha I smell a rat,  
Rock Paper Scissors Scissors cut cut cut,  
bang I should've know

I no longer wish to fall in love,

I can tell you I like you very much,  
And I no longer wish to get married,  
But I'd love, I'd love to see you buried

This is the saddest, saddest song you'll ever hear  
This is the saddest, saddest song you'll ever hear

Thank you very much
