My pokemon bring all the geeks to the yard,  
And they're like, "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!

My pokemon bring all the geeks to the yard,  
And they're like , "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!

I know you want it  
The thing that makes me  
What the geeks go crazy..for  
They lose their minds  
Charizard sublime  
I think it's time

Lalalalala, trading cards  
Lalalalala, The geeks are trading!  
Lalalalala, trading cards,  
Lalalalala, the geeks are trading!

My pokemon bring all the geeks to the yard,  
And they're like, "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!

My pokemon bring all the geeks to the yard,  
And they're like , "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!

I have to see it one more time  
You want me to give the  
card so unique that freaks these boys  
It can't be bought  
Just please don't get it scratched;  
it's worth alot!

Lalalalala, trading cards  
Lalalalala, The geeks are trading!

Lalalalala, trading cards,  
Lalalalala, the geeks are trading!

My pokemon bring all the geeks to the yard,  
And they're like, "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!

My pokemon bring all the geeks to the yard,  
And they're like , "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!

Oh once you get Chara'  
Everyone will want this card so  
You must maintain your kool  
Same time maintain your inhalo'  
Just pop the biggest zit  
Whitest pus wihtin  
Then next his eyes are squinted  
His drool babbling and glasses bent-

Lalalalala, trading cards  
Lalalalala, The geeks are trading!  
Lalalalala, trading cards,  
Lalalalala, the geeks are trading!

My pokemon bring all the geeks to the yard,  
And they're like, "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!

My pokemon bring all the geeks to the yard,  
And they're like , "You wanna trade cards?"  
And I'm like, "yeah sure I'll trade cards  
evra thin' but not my Charizard!
