[Harold:]

Oppa Penguin Style!
Penguin Style!

My penguin likes to waddle but my penguin never
walks;
I can slide on the floor like him if I'm wearing socks.
Don't confuse a penguin with a peacock,
They have a long tail and they do not quack!

Penguins don't have hair,
But they have a lot of feathers;
And they'll probably die
If it's too hot of weather.
Penguins like to stare
At your door until you're there,
And it isn't fair,
Cause' they beat you in chess...

[Jimmy:]
Those are penguins, and they're awesome!

[Harold:]
Just like a diglett!

[Jimmy:]
Those are penguins!

[Harold:]
Yes I know that!
And they say quack!
And they say quack!
And they say quack, quack, quack, quack,
quaaaaaaaaaack!

[Both:]
Oppan penguin style!

[Harold:]
Penguin style!
Quack, quack, quack!
Oppan penguin style!
Penguin style!

Quack, quack, quack!
Oppan penguin style!

Heeey! I'm a penguin!
Quack, quack, quack!
Oppan penguin style!
Heeey! I'm a penguin!
Quack, quack, quack!
