[Intro: Flocka]

I'm drinking champainge one deep in my phantom
ghost

Bad bitch with me wonder where my manners go
I'm drinking champainge one deep in my phantom
ghost

Bad bitch with me wonder where my manners go
My young is sick sick we're the antidote
Hey man that's your top bust you cantaloupe
I'm drinking champainge one deep in my phantom
ghost

Bad bitch with me wonder where my manners go
My young is sick sick we're the antidote
Hey man that's your top bust you cantaloupe

[Verse: Flocka]

You fought a sick and he's still selling dope
How the fuck you ballin' with a car note
I'm in the trap real shit
Cury never had a job he always loose the booth
Them youngers run up in your house with them hands
hold

No manners just to let you know who did it ho
I'm from Riverdale all I know is get it in
I got weed I got Molly's what you tryin' to spend

[Hook]

50k for a show and my niggas sellin' swag
She a red bottom bitch for such a short working bag
I'ma get money nigga don't use the carlot to protect
Before I leave my fucking house grab my pistol and my
flag
Thumbing through the benz I be playing with a chick x4

[Verse: Flocka]

My foreign car penny flag black
My girl hiped out as fat
Paparazzi keep flashing pictures
Broke niggas looking wanna be these niggas (Pussy)
4 grams in my back wood, (I'm smoking)
Millionaire nigga still keep it hood (Riverdale)

Pay the extra 60 for that still hood
Phantom goals got a nigga living good
Turn up
I be your bitch want a nigga
Hey come here shawty
I bet she wanna fuck a nigga
Hey come here shawty
Never be a broke nigga
Shawty see a platinum nigga

[Hook]

50k for a show and my niggas sellin' swag
She a red bottom bitch for such a short working bag
I'ma get money nigga don't use the carlot to protect
Before I leave my fucking house grab my pistol and my
flag
Thumbing through the benz I be playing with a chick x4

[Verse: Gucci]

Gucci Mane I'm the fucking man pocket full of zen
Whipping plans on the nigga grands change a nigga
plans
Still know we keep it real chopping off your head
I'm leaving grounds, I'ma try the crown and I'm in the
van
Say he hard and he goin' ham I don't give a damn
Say he broke and a hundred million just went through
his hand
I don't cherish it I'm flying terrorist and crush you down
If you thinking he gon' take my grounds I'ma change
your plan
You are a jam pussy nigga but I just came from Japan
I'm making fans off of growing weed super duper
scram
I heard you found and jerked on your man now your
nigga ran
Flockaveli you know that's my man called the kid a
damn

[Hook]

50k for a show and my niggas sellin' swag
She a red bottom bitch for such a short working bag
I'ma get money nigga don't use the carlot to protect
Before I leave my fucking house grab my pistol and my
flag
Thumbing through the benz I be playing with a chick x4
