Stay fly, smoke this kush till my brain fry and my

Me and molly first class flight, I know it's wrong but if

drawing type  
She don't do bill, she'll drink, lean and smoke all night,

Long hair, her eyes light, bad chick never get a chance  
Fuck her in the back seat, make that a man, that's a '  
Drink Activist like smart water, two girls and molly got

Free 'say the same to the Haitians, my eye I'm chasing,

Squad life, money over hoes, that's mob life  
Got locked up my senior year, now I party every night  
like crime night  
Scream fuck the system from the damn soup  
And I'm well-conditioned fuck shampoo  
And I grow up quicker like bamboo and you marathon  
bitches get ran through  
Get here, roll a blunt, take it to the head, got your girl  
in the kitchen, we ain't make it to the bed  
Unless you making me some eggs I'mma pay up to the  
dead  
Got a bunch a weed and a baker made bread  
And we baked out, throw a party at the lake house  
With them girls making out I deposit this ticket in their  
bank account  
And I pour, roll up, let's get faded, they ain't make it so  
they hate it  
They just jaded, we just drinking, we just smoking, we

just wasted  
I'm hardly active on that Activist  
Actually I've been actively passive with the baddest  
bitch

I'm drinking on some Activist, I'm drinking on some  
Activist  
I'm smoking on atomic shit, you've never seen a broad  
like this
