(Hook: Waka Flocka Flame)

They know my war stories, niggas know me  
Walk up dumping, high me  
Everybody killers, where the bodies?  
In the hood, where you could find me  
Blood brothers in the club, it's a movie  
My hood, you can call it grimey

All I know is grind, 25/8  
Like fuck it I need it now, niggas can't wait  
Knife or the pistol, let you choose your fate  
Neighborhood buzz, I'm moving state to state  
Wooh Da King in this motherfucker  
Heavy metal, three chains in this motherfucker  
Flocka Flame that's just my blood brother  
Could never be pussy, I got a gangster mother  
Most of these niggas fake, the rest is iffy  
Could even null around, niggas won't tempt me  
Hole in his head, I guess he lost his mind  
And he thought he was a winner when he crossed the  
line

(Hook: Waka Flocka Flame)  
They know my war stories, niggas know me
