(Verse)

This is on my face, I see you aviator haters
Homeys with the elevators, call Indiana Pacers
Never rockin alligators, just some red bottom charts
Goin off a grim of mollies, I don't fo fo fo forty talk
When she brought you came with a new better dog
All I know is stay strapped, get money and run it up
Got my foreign choppas on my nigga Soulja
Talkin bout Flocka then you know it's game over

(Hook x2)

All I know get it get it, got it now it's gone
Keep a lot of straps 'cause I know the war's on
Never cross the line, you know I'm a brother's keeper
Hurry, het in quick, this a message to the reaper

(Verse)
