Uh, no!

Hook:
Shawty do her thing for the squad whenever she come
around

I'm trying to smoke a whole pound whenever I come
around
I'mma get a nigga a new style whenever I go around
Nigga play on my chess shit down whenever
I got no mother fucking nets on my bizack
I got no mother fucking niggas on top my bizack
I got no mother fucking nets on my bizack, on my
bizack, on my bizack
Oh yeah, oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah!

Shout South bitch, I make her string like a guitar
Fuck you, fuck you bad bitch, I want you bad as 'em all
She came crying so 'em dope'make her'
She ain't ran got the radars on her head like scar
She gonna take me swim, I'm diving, I'm striping
Hear that motherfucker'
Anyday you hoes will put our lies in
Check my vibe in!
Nigga, play with hoe, I'mma let that pussy down, down
Get down!
No end over my round! Got round!
I'm no bo, I think I'm'
Hold on, let me think, it's'
