These old niggas dead,  
bring the forks out,  
Montana Josh smith with the hawks out,  
Swiss cheese on 'em, I'll Japan flag your head, red  
beams on 'em,  
white sheets on 'em, it's hell on earth,  
God gonna help ya nigga, help yourself first,  
fuck Forbes, only thing working for us,  
cut the middle man out and deal straight wit the  
source,  
I've been gone for a second street missing a nigga,  
broke with a swag, or corny rich nigga,  
need a fix nigga, got that white girl, A1 new whip,  
white bitch credit A1, thi be that lockout, take one.
