I fucked my money up, damn  
Now I can't re-up  
Ran off in his spot just to get my stacks up  
Now I'm back on deck,  
So shawty what the fuck you want  
Heard he talkin shit but this ain't what the fuck he want  
Locked my CEO up  
Now it's back to coka  
Niggas talkin shit bruh, hang him by a ropa  
Hit em with the choppa  
Call that shit hot lava  
Call me waka flocka aka young wild nigga  
Aka young drug dealer  
Got purp, got kush, got pills, got white  
In the trap all night with the hard and the soft  
Stacks on the flo' watch cupid with his wishes..  
Shook it to the left then he shook it to the right  
So icy brick boys got it all night  
These lame ass niggas ain't got no fight  
Kick in my door we gon shoot out all night  
Home of he Braves shawty shoot em with a K

We on that thug shit give a fuck about love I'm cruel

Pull up in the dump followed by a yellow one  
So icey feddi gang pussy keep them tommy guns
