I done seen a lot, of these cars and these cribs  
And I done sold a lot of this white teds mean  
But now the block is hot, what it is, what it is  
I know the feds watching, so I'm stickin to the script  
I seen it, I seen it, I seen it, I seen it  
I saw it, I sold it, I sold it, I sold it, they bought it  
I seen it, I seen it, I seen it, I seen it  
I saw it, I sold it, I sold it, I sold it, they bought it

Need the ... shawty you ain't my type  
Popping pills catching planes, all night  
Fuck round loose your life  
Man that chick said you ain't bout that life  
Your main bitch I done fucked her twice  
You're whoopin, you're not really right  
In the club, busting bottles, bigger flexin, I  
I be working like a motherfucker  
I be going hard off in this motherfucker  
Bsm boy, don't test em  
Murk a nigg on sight, put it on slim  
Waka flocka I'm a rich nigga  
Bought a million off in cars, gone off 2 cars  
That molly's got me fucked up  
Suicied you tries niggas, eyes low

I done seen it all, from the mid to the yay  
Talking to the robbers, cause them boys don't play  
All 38 and a russian ak  
Colorblind the haters, all I see is black and grey  
Now the block hot, gotta catch em when they cool out

Only thing I'm saying when you see me  
Have your tool out  
Word about this ba, keep it on go  
Hit me when you touch down, we'll just call it to  
I done seen it all from the fake to the real  
Niggas sell they soul just to get a record deal  
Just to go gold they would give they right hand  
Sacrifice they mama, bring the drama to they man
