[Hook]

On grove street, wait for it to touch down  
On that pack right now ain't gotta touch down  
Everybody here impatient, gotta touch down  
Waiting on that work to drop aint gotta touch down  
Touch down, touch down, touch down  
Waiting on that pack to drop, it gotta touch down  
Touch down, touch down, touch down  
On Grove street, the drop thats where it touch down

(Kurt Verse)

I'm trafficking the traffic, say what  
We wrap the work up in plastic, wrap it in what?  
We make that shit flip like gymnastics, make it flip  
Try to crew shit don't get nasty  
I'm with waka flocka we sitting here blowing on kush  
sticks  
And I'm money hungry, I'm getting bills like bushwick  
These niggas still hatin, I'm like oh well  
And these snitchin niggas 12, like the hotel  
I used to be the one that was trigger happy  
And now I got my shooter, right in my twitter Avi  
(Squad)  
He say he tried to send some niggas at me  
But I ain't gone for it  
I'm on Grove street, where they trigger happy

[Hook]

On grove street, wait for it to touch down  
On that pack right now ain't gotta touch down  
Everybody here impatient, gotta touch down  
Waiting on that work to drop aint gotta touch down  
Touch down, touch down, touch down  
Waiting on that pack to drop, it gotta touch down  
Touch down, touch down, touch down  
On Grove street, the drop thats where it touch down

(Waka Flocka Verse)

Man it's bout to touch down, yes I be  
Hunned pack, dirty birds, bust down, squad

Packs running back like steven Jackson  
(flocka, waka flocka, waka flocka, waka flocka, waka)  
Hit the clubs, shawty, lights, camera, action  
S-R-B, B-S-M that's too many... you know  
On the G Street catching plays like I'm John Madden  
(Grove Street)  
Bitch I'm balling, bitch I'm balling Check my chain hoe  
check my rollie, check my Bracelet, kiss my ring hoe  
3 girls with me shawty that's cee-lo  
Riding foreign back to back me....  
And shawty I'm from clay-co  
I'm a millionaire soon as them birds touch down, hoe

[Hook]

On grove street, wait for it to touch down  
On that pack right now ain't gotta touch down  
Everybody here impatient, gotta touch down  
Waiting on that work to drop aint gotta touch down  
Touch down, touch down, touch down  
Waiting on that pack to drop, it gotta touch down  
Touch down, touch down, touch down  
On Grove street, the drop thats where it touch down
