Flockaaaaa

Uhh

Yea, crazy man

Iâ€™ve been going through so much, Iâ€™ve been  
thinking â€™bout so much

I donâ€™t know who to Trust or who to Believe uh

Who to Believe uh, who to Believe

Iâ€™ve been going through so much

Who-who to Believe?

My partner got murk'd, friends turnin' phony

Next door neighbors tryna put the people on me

Lifeâ€™s a bitch, I see a brother death creepinâ€™ on  
me

Pain I write it on me, whatch these labels tryna clone  
me.

Pain I write it on me, P-pain I write it on me

Pain I write it on me, whatch these labels tryna clone  
me?

Pain I write it on me, P-pain I write it on me

Pain I write it on me, whatch these labels tryna clone  
me?

Iâ€™ve been going through so much, Iâ€™ve been  
thinking â€™bout so much

I donâ€™t know who to trust or who to believe uh

Couple of Friends, Couple of Fans and my Family

Iâ€™mma ride it to the end ain't no fear in me (-x'2)

My partner got murked friends turning phony

Next door neighbors tryna put the people on me

Lifeâ€™s a bitch, I see a brother death creepinâ€™ on  
me

Pain I write it on me, Watch these labels tryna clone  
me?

Count my days in blessings, though every mistake  
made was a life learned lesson

Swear I ainâ€™t flexinâ€™

Police pulls us over cuz the color of our complexion

And our hair style now we standing on trail

Me against the world so Iâ€™m voicinâ€™ my opinion

Did I forget to mention how they stole my mom the  
credit? (Debby]

And Our blueprint, gave it to another nigga

Left us all stuck, yea we fucked up

Damn.  
I've been going through so much, I've been  
thinking 'bout so much  
I don't know who to trust or who to believe uh  
Couple of friends, Couple of fans and my family  
I'mma ride it to the end ain't no fear in me (-x'2)  
December 16, a part of me died  
Part of me stayed strong but a part of me cried  
Part of me on this song why I'm spillin' my pain  
Part of me getweak when they mention your name  
It go RIP Slim D (who?) Hatin' niggas took your life over  
envy  
A lot of snakes in the grass, Lord protect me  
When I make it to the gates don't reject me  
I've been going through it, don't know, when  
it's my turn  
So I just sip a little and the blunt burn  
Everything I do, I do it for my family  
And my heart too big, God fan me, Fan me  
I've been going through so much, I've been  
thinking 'bout so much  
I don't know who to trust or who to believe uh  
Couple of friends, Couple of fans and my family  
I'mma ride it to the end ain't no fear in me (-x'2)  
My partner got murk'd, friends turnin' phony  
Next door neighbors tryna put the people on me  
I wish I could fly away  
I wish I could fly away  
I wish I could fly away
