[Intro]

[Verse 1]

My partner got murked, friends turning phony  
Next door neighbor trying to put the people on me  
Life's a bitch, I see a brother death creeping on me  
(On Me)

Pain I write it on me, watch these labels trying to  
clone me

[Bridge] x 2

Pain I write it on me, Pa-Pa-Pain I write it on me  
Pain-Pain I write it on me, watch these labels trying  
to clone me

[Hook] x2

I've been going through so much, I've been  
thinking about so much  
I don't know who to trust or who to believe  
A couple of friends, a couple of fans, and my family  
I'm a ride until the end, ain't no fear in me  
[Verse 2]

My partner got murked, friends turning phony  
Next door neighbor trying to put the people on me  
Life's a bitch, I see a brother death creeping on me  
(On Me)

Pain I write it on me, watch these labels trying to  
clone me

Count my days and blessings, for every mistake made  
was a life learned lesson

Swear I ain't flexin', police pulled us over  
'cause the color of my complexion  
And our hair style, now we standing on trial  
Me against the world so I'm voicing my opinion  
Did I forget to mention how they stole my mamma  
credit

And our blue print, gave it to another nigga  
Left us on stuck, got us fucked up

[Hook]

[Verse 3]

December 16th, a part of me died  
Part of me stayed strong but a part of me cried  
Pardon me on the song while I'm spilling my pain  
A part of me getting weak when they mention your  
name

It go R.I.P. Slim D (Who?)  
Hating niggas took your life over envy (True!)  
A lot of snakes in the grass won't protect me (Yes!)  
When I make it to the gates don't reject me (Yes!)  
I've been going through and don't know when  
it's my turn (No!)  
So I just sip a little and let the ganja burn  
Everything I do, I do it for my family  
And my heart too big to have fear in me  
[Hook]  
[Outro]  
My partner got murked, friends turning phony  
Next door neighbor trying to put the people on me  
I wish I could fly away  
I wish I could fly away  
I wish I could fly away  
I wish I could fly away
