You never let me down
You always stuck around
I know I upset you (I know why)
I know I upset you (I know why)
But I never meant to
Cuz in you we trust
You were always there for us

[Chorus:]

This song is dedicated to you (and you)
For making us feel like we do (Thank You)
I wanna thank you,
Thank you

I never meant to hurt you with lies (All the lies that I
said)
But you saw the truth in my eyes (And my eyes can't
pretend)
It's not a problem,
But it annoys me
The dumb decisions I make I was carefree
But somehow through all the stuff that you knew

The ass that I am
well I still care for you

[Chorus:]

This song is dedicated to you (and you)
For making us feel like we do (Thank You)
I wanna thank you,
Thank you

Thank you

Bada-ba-
Bada-ba-
Bada-ba-
Bada-ba-
Yeah, yeah, yeah, yeah

[Chorus:]

This song is dedicated to you (and you)

For making us feel like we do (Thank You)
I wanna thank you,
Thank you

[Chorus:]

This song is dedicated to you (and you)
For making us feel like we do (Thank You)
I wanna thank you,
Thank you
