girl with a beat. girl with a beat. girl with a beat
i'm just a sucker for a girl with beat
she said she'd shake it with me under the sheets
she so contagious. everyone that she meets
just cant help shaking. girl with a beat

i'm all hung up on a girl with a beat
she used to do me from my head to my feet
she's so contagious when she walks down the street
everyone starts dancin'. everyone but me

because i knew her before
when she was young and unsure
and only her hands were shakin'
now she's a popular girl
i'm sharing her with the world
i tell you the girl she's breakin'...me

girl with a beat. girl with a beat. girl with a beat
i can't stop thinkin' bout a girl with a groove
she makes a dead man want to get up and move
she got me rockin' and she'll do it to you
and you won't stop dancin'. girl with a beat

i'm was a victim of a girl with a beat
she keeps a water pistol under the seat
she told me secrets but i wasn't discreet
now there's no more dancin'. not with me

now she won't answer my calls
she's got me climbin' the walls
and i'm just a mess she's makin'
all the boys stand in line
im just wastin' my time
i tell you this girls she's breakin' me

girl with a beat.
i used to dance with her in perfect time
i lost the rhythm as you changed your mind
she got away with the-the perfect crime
everyone stop dancin'. everyone stop dancin'

stop.

now she won't answer my calls
she's got me climbing the walls
and i'm just a mess she's making
now she's a popular girl
i'm sharing her with the world
i'm tellin' ya girl i'm breakin'....

girl with a beat. girl with a beat. girl with a beat

girl with a beat
