Forgiveness is where it begins  
You had none and I am wearing thin  
'cause something's got to give  
My intentions were never to harm  
You thought you found the one  
But I guess i was just a false alarm  
I'm never half of what you are

(Chorus)

Well i'm not complaining  
I'm jut sick of blaming myself  
I try, but no one seems to give a shit  
Why, we made it to the fifty-yard line  
Nothing's ever good enough  
Everything's fine  
I feel like I'm wasting my time  
wasting my time  
You always run to see if I chase  
I stand back and let it blow up in my face  
I really think I hate these games  
I'm only kidding among other things  
I hate this, you treat me like a mental case  
Find someone else to take my place

(Chorus)

Well i'm not complaining  
I'm jut sick of blaming myself  
Try, but no one seems to give a shit  
Why, we made it to the fifty-yard line  
Nothing's ever good enough  
Everything's fine  
I feel like I'm wasting my time

I'm leaving this week (alright)  
I've made up my mind, this time  
I'm leaving this week (oh yeah)  
I've made up my mind, this time  
Try, but no one seems to give a shit  
Why, we made it to the fifty-yard line  
Nothing's ever good enough  
Everything's fine  
I feel like I'm wasting my time

Try, but no one seems to give a shit  
Why, we made it to the fifty-yard line  
Nothing's ever good enough  
Everything's fine

But I feel like I'm wasting my  
Everything's fine  
But I feel like I'm wasting my  
Everything's fine  
But I feel like I'm wasting my time  
Wasting my time, on you
