she walks in the room, the smell of perfume  
its over and over, its only getting older  
its harder to be, around her and me  
she acts like she's part of the family

do you understand, what's happening here-uh huh  
do you understand, it's time to release-uh huh

yea i'm right so what's wrong  
with this twisted picture frame  
grab a knife and cut along  
'till you're off the page

yea i'm right so what's wrong  
with this twisted picture frame  
'cause i gave you all that i could  
you changed me but not for good

(you got it, you got it)  
(i cut you out of it, out of it)  
(you got it, you got it)  
(i cut you out)

i'm pretty sure, we've done this before  
the same situation, with no invitations  
so call in the guard, i've fallen back worse  
it's over and over, it's all absurd

i don't understand, what's happening here-uh huh  
i don't understand, it's time to release-uh huh

yea i'm right so what's wrong  
with this twisted picture frame  
grab a knife and cut along  
'till you're off the page

yea i'm right so what's wrong  
with this twisted picture frame  
'cause i gave you all that i could  
you changed me but not for good

(you got it, you got it)  
(i cut you out of it, out of it)  
(you got it, you got it)  
(i cut you out)

yea i'm right so what's wrong  
with this twisted picture frame  
grab a knife and cut along  
'till you're off the page

yea i'm right so what's wrong  
with this twisted picture frame  
'cause i gave you all that i could  
you changed me but not for good

(you got it, you got it)  
(i cut you out of it, out of it)  
(you got it, you got it)  
(i cut you out)

(you got it, you got it)  
(i cut you out of it, out of it)  
(you got it, you got it)  
(i cut you out)

(you got it, you got it)  
(i cut you out of it, out of it)  
(you got it, you got it)  
(i cut you out)
