Say You Will
Say you're mine
Could you stay awhile
There is time
If I had known
I'd be walking home alone

Please won't you just calm down
Maybe we can talk this out
You haven't even heard my side of the story

She was a big mistake
I didn't mean to hesitate
My face is falling in my hands
Why can't you understand

Yehea!!

They're out to get me
You've got to believe me

Say You Will
Say you're mine
But please don't say goodbye tonight
Cuz I had planned
That you'd try
Change your mind
Could you stay awhile
There is time
If I had known
I'd be walking home alone

Yeah Yeah he-yehea
Yeah Yeah he-yehea yeah
Yeah Yeah he-yehea
Yeah Yeah he-yehea

It doesn't have to be like this
Now please take this off my wrist
We'll make believe this never happened
Let it go

It's in the past
And
Stop looking at me with those eyes
Acting like your so surprised
What else can I possibly say
You had it coming anyway

Yehea!!

They're out to get me
You've got to untie me

Say You Will
Say you're mine
But please don't day goodbye tonight
Cuz I had planned
That you'd try
Change your mind
Could you stay awhile
There is time
If I had known
I'd be walking home alone

Yeah Yeah he-yehea
Yeah Yeah he-yehea yeah
Yeah Yeah he-yehea
Yeah Yeah he-yehea yeah

Say You Will
Say you're mine
But please don't say goodbye tonight
Cuz I had planned
That you'd try
Change your mind
Could you stay awhile
There is time
If I had known
I'd be walking home-

So Say You Will
Say you're mine
But please don't say goodbye tonight
Cuz I had planned
That you'd try
Change your mind
Could you stay awhile
There is time
If I had known
I'd be walking home alone

Yeah Yeah he-yehea

Yeah Yeah he-yehea yeah
Yeah Yeah he-yehea
Yeah Yeah he-yehea yeah

Yeah Yeah he-yehea
Yeah Yeah he-yehea yeah
Yeah Yeah he-yehea
Yeah Yeah he-yehea yeah!!!
