I am in circles  
You're a straight line  
You are the fix, I'd hope to find  
And people can be so

All that I want now is not to change  
You are the hope  
You will stay the same  
And people can let go

I like to keep your pictures candle lit  
I need you to be someone, I worship  
Might be to hard to handle, if you were mine  
And that is why I built this shrine

I keep my distance  
Every thing's clear  
And there are no words, I need to hear  
It's better for both of us

And all that I want now  
Is not stray  
I need the strength you radiate  
It's something, I can trust

I like to keep your pictures candle lit  
I need you to be someone, I worship  
Might be to hard to handle if you were mine  
And that is why I built this shrine

It's everything, I never told you  
And I don't ever need to own you  
I don't ever want to hold you  
Until you die, so don't, don't, don't

I like to keep your pictures candle lit  
I think you could be someone, I worship  
Might be to hard to handle, if you were mine  
And that is why I built this shrine

I like to keep your pictures candle lit  
I think you could be someone, I worship

Might be to hard to handle, if you were mine  
And that is why I built this shrine
