Still beauty  
Colourfull these blooms are ever blue.  
Can't promise 'cause just like hearts they get broken,  
But I try my hardest.

Even if you're rich, even if you're poor every breath you  
breathe  
I'll be there for you.  
Even if you're strong, even you're not every breath you  
breathe  
I'll be there for you.

Angelic little Princess  
I wanna wake up to your face every morning.  
Another love song a silly love song,  
but it tells on and it forever.

Even if you're rich, even if you're poor every breath you  
breathe  
I'll be there for you.  
Even if you're strong, even you're not every breath you  
breathe  
I'll be there for you.

This song is forever..

I'll be there for you...
