And if the karma patrol
Take control
I'm gonna be in trouble
And if the MORAL police
Asks for receipts
I am gonna burst their bubble

Religion - schmigion
Money - schmoney
Who is your god?
I'm not the type to pray, except when I fall
I'm only human after all

I played the devil's advocate
I played into his hands
I played the fool, I played with fire
I played the victim's hand

And if you bump into the devil
Tell him I understand
Rather the devil you know
Than the devil you don't
I hope you can understand
I'm only human after all
I'm only human after all
I'm only human after all

I fell into the trap
I fell into her lap
I ate the apple of lust lust lust
the apple tree of lust

Religion - schmigion
Money - schmoney
Who is your god?
I'm not the type to pray, except when I fall
I'm only human after all

I played the devil's advocate
I played into his hands
I played the fool, I played with fire

I played the victim's hand

And if you bump into the devil
Tell him I understand
Rather the devil you know
Than the devil you don't
I hope you can understand
I'm only human after all
I'm only human after all
I'm only human after all

I played the devil's advocate
I played into his hands
I played the fool, I played with fire
I played the victim's hand

And if you bump into the devil
Tell him I understand
Rather the devil you know
Than the devil you don't
I hope you can understand
I'm only human after all
I'm only human after all
I'm only human after all
