My Energy
Defy the enemy

Slow memories
So slippery
Louder and louder and louder and louder than bombs
Louder and louder and louder

Finally oh finally it's happening, it's happening
Finders keepers, the pepper peepers
fallen asleep

Suddenly oh suddenly it's happening,
losers weepers, the pepper peepers
are coming to freak

It's only science
Oh can't you see the signs
It's the thief of time
It's the biggest crime

Louder and louder and louder and louder than bombs
Louder and louder and louder

Finally oh finally it's happening, it's happening
Finders keepers, the pepper peepers
fallen asleep

Suddenly oh suddenly it's happening,
losers weepers, the pepper peepers
are coming to freak

Louder and louder and louder and louder,
Louder and louder and louder and louder,
Louder and louder, louder, louder than - bombs

Louder and louder and louder and louder,
Louder and louder and louder and louder,
Louder and louder, louder, louder than ----

Finally oh finally it's happening, it's happening

Finders keepers, the pepper peepers
fallen asleep

Suddenly oh suddenly it's happening,
losers weepers, the pepper peepers
are coming to freak
