Chaotic Masterpiece and I,
Yeah we talked throughout the night
Until I built the nerve to kiss her lips, and...

Chaotic masterpiece your skin is more dangerous to
me,
Than any place I've ever been
You are the best I've ever had
So let's not change and let's not fade,
And let's go anywhere at all that brings us home.

And no one ever needs to know,
Just how well we've both been known
By each other's skin

Chaotic masterpiece, yeah something tells me,
This is where we both begin again...
Cause you are the best
You are the best, you are the best I ever had...
