Clinton St Girl

She's got the world on her shoulders  
She's got a light in her eyes

Clinton St Girl

Knows famous artists like feelings  
Knows when she's wrong and she lies

And Ludlow St boys

Yeah we do what we please

And Ludlow St boys

Never say what we mean

And Ludlow St boys

When we fall keep our hands in our empty pockets  
And land on our chins and go...

Clinton St Girl

Sidewalks and bank accounts, day counts  
She either laughs or she cries

Clinton St Girl

She's harmful and hateful and foolish  
I'll love her the rest of my life

And Ludlow St boys

Yeah we do what we please

And Ludlow St boys

Never say what we mean

And Ludlow St boys

When we fall keep our hands in our empty pockets  
And land on our chins  
And we go home bleeding  
And we go home bleeding...
