Diamonds in the hillside, they're sparkling for me  
But upon a closer look, those diamonds all were crooks  
They were just stealing my heart  
Stealing my heart from you

Cherry blossoms blooming on a late afternoon  
There's a melody I hear, but it still is quite unclear  
A lazy eye swallows me whole  
I'm standing on thin ice again

Then I changed for the world.  
Ooooo  
And I wear it so well.  
Ooooo  
Did I change for the worst?  
Ooooo  
Only time will tell

Raindrops on the windshield they're catching my eyes  
They were falling with such grace until they washed  
away  
Leaving a dashing display  
No single one looked the same.

Then I changed for the world.  
Ooooo  
And I wear it so well.  
Ooooo  
Did I change for the worst?  
Ooooo  
Only time will tell.

Diamonds and cherry's  
The critical mass  
All had their hands involved  
Diamonds and cherry's  
The critical mass  
All took a hold me of

Then I changed for the world.  
Ooooo

And I wear it so well.  
Ooooo  
Did I change for the worst?  
Ooooo  
Only time will tell.

Then I changed for the world.  
Ooooo  
And I wear it so well.  
Ooooo  
Did I change for the worst?  
Ooooo  
Only time will tell.

The piano don't sing like it didâ€¦
