

Wakey! Wakey! "Rumors"

I'd cross the desert to be with you.
I miss you,
I miss you.

I heard the rumors they all were true.
I need you,
I need you.

Ooooooh...
Next to me,
Next to me.

Ooooooh...
Next to me,
Next to me.

I'll take off my make-up,
I'll stop and listen.
I am alive now,
I watch my head spin.

I'll take off my make-up,
I'll stop and listen.
I am alive now,
I watch my head spin.

I'm in love with things you can't define,
And I'm in love with things you cannot buy.
All for you, the one thing I know's true.
All for you, take me and renew.

Into the depths of the deepest sea.
I fought you,
I fought you.

For all I know and all I can see.
You come through,
You come through.

And all I am and all I can be.
You're callin,

You're callin.

So here you are in front of me.
I've fallen,
I've fallen.

I'll take off my make-up,
I'll stop and listen.
I am alive now,
I watch my head spin.

I'll take off my make-up,
I'll stop and listen.
I am alive now,
I watch my head spin.

Round and Round, the things I can't deny,
And I'm in love with things you can't define.
All for you, the one thing I know's true.
All for you, take me and renew.

And I walked away,
But you were always on my mind.
And I was afraid,
That you would never come alive.

There for me,
And I was scared of you.
You were there for me,
When I wasn't there for you.

I'm in love with things you can't define,
And I'm in love with things you cannot buy.
All for you, the one thing I know's true.
All for you, take me and renew.
