You call to tell me something
You say I oughta know
That he don't love me anymore
And I have to let him go
You say you're gonna take him
Oh but I don't think you can
Because you ain't woman enough to take my man

Women like you, they're a dime a dozen
You can buy 'em anywhere
For you to get to him I'd have to come over
And I'm gonna stand right here
Well it'll be over my dead body
So get out while you can
'Cause you ain't woman enough to take my man

Sometimes a man goes lookin' at things that he don't
need
He'd take a second look at you
But he's in love with me
Well I don't know where they leave you
Oh but I know where I'll stand
And you ain't woman enough to take my man

Women like you, they're a dime a dozen
You can buy 'em anywhere
For you to get to him I'd have to come over
And I'm gonna stand right here
It'll be over my dead body
So get out while you can
'Cause you ain't woman enough to take my man
Oh you ain't woman enough to take my man
