Who is the man with the masterplan?

A nigga witta motherfuckin gun

44 reason come to mind

Why you motherfuckin brothers' hard to find

He be walkin on the streets and fuckin with mine

Stupid punk can't fuck with a mastermind

See I never take a step on a Compton block

or LA without the AK ready to pop

Cos them punk motherfuckers in black and white

Ain't the only motherfuckers I gotta fight

I think it's better to be retellin the facts than cuffed up

and jacked and fucked up

What you niggas lookin at? You goin

goddamn! Cos it's the city

and for you to survive a nigga gotta be a gangsta

And I'm a nigga you can't remove

Took out a lot of motherfuckers for tryin to prove

To their homies that they can hang by dealin with me

But once again in the end they D-E-A-D

I never did time on a murder yet

Cos I relax and back, do a job and jet

Yo I know you understand my flow

So here we go with Death Row

Come let a motherfucker know

Who is the man with the masterplan?

A nigga witta motherfuckin gun

Who is the man with the masterplan?

A nigga witta motherfuckin gun

D-R-E

A motherfucker who's known for carryin gats

and kick raps that make snaps

Adapts to anything violent that I'm located at

If you see me on the solo moves best believe that I'm
strapped

4-4, .tre-8 or AK-47

Cos slowly but surely send you on a stairway to heaven

Just put my finger on the trigger and pull back

and lay a punk motherfucker flat

As he wonder what popped before he got popped
I told you I was Dre and you know it don't stop
Now I know you understand my flow
So here we go with Death Row
Come let a motherfucker know

Who is the man with the masterplan?
A nigga witta motherfuckin gun
Who is the man with the masterplan?
A nigga witta motherfuckin gun
Who is the man with the masterplan?
A nigga witta motherfuckin gun
Who is the man with the masterplan?
A nigga witta motherfuckin gun

I breaks em off, I breaks em off yeah
I breaks em off, I breaks em off yeah
I breaks em off but I ain't speakin about between the
thighs
I'm talkin about cockin a gauge in between your eyes
That'll make you drop to your knees cos you realise
that a gat will make any nigga civilised
Old buster ass nigga talkin bullshit
Don't know that I'm the wrong nigga to fuck with
Get lit or hit up by the doctor
A nigga that breaks em off proper-ly
Real G so doubt it
I'm the one who's doin it while these other niggas talk
about it
And if motherfuckers come at me wrong
I straight put my .44 Desert Eagle to his motherfuckin
dome
And show him why they call me the notorious one
The name's Dre Eastwood when I'm packin a gun
You don't believe me, well step up and give it a try
And if you die youse a buster cos real niggas don't die
But some still don't hear me though
You're too near me not to hear me, nigga yo
So now you know

Who is the man with the masterplan?
A nigga witta motherfuckin gun
Who is the man with the masterplan?
A nigga witta motherfuckin gun
Who is the man with the masterplan?
A nigga witta motherfuckin gun
Who is the man with the masterplan?
A nigga witta motherfuckin gun
