Seems we've weathered
Hard times we've been through
In silence I've waited
I missed you (I missed you too)

'Cause you, you and I back together again
Got the world in a spin
'Cause you, you and I back together again
Got the world in a spin

It's all come together
Problems we've defeated
And I'm in here out in hell
You take all that I got and you need it , baby

'Cause you, you and I-I-I back together
Got the world in a spin
You, you and I-I-I back together
Got the world in a spin

Love will last forever (Forever)
We can make it real (Got to be real)
Say you'll leave me never (No, no, never)
We can truly feel (What you feel)
I feel like you
Back together
Yeah, yeah, yeah

Younger and wiser
Time has shown the way
We've come full circle
To stay (Baby)

'Cause you, you and I-I-I back together again
Got the world in a spin
'Cause you, you and I-I-I back together again
Got the world in a spin

Truth is the light
It's the joy that we both share
Make love day and night

It's so easy to do when you care

Love will last forever (Forever)
We can make it real (Got to be real)
Say you'll leave me never (No, no, never)
We can truly feel (What you feel)
I feel like you
Back together

Doo doo doo doo doo
Doo doo doo doo yeah
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Back together again

Doo doo doo doo doo
Doo doo doo doo yeah
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Back together again

Doo doo doo doo doo
Doo doo doo doo yeah
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Back together again
