The drought of 2001
It still goes on and on
Sometimes I wonder where I went wrong
Shoulda stayed here.
Shoulda stayed here.

It's been too long of a year
The colors gone from this place.
I spend a lifetime waiting oh for you, oh.
Oh, for you.

These are feelings I hate.
For so long can't get them out of my head.
Cause everybody knows,
Something's always show feelings because of you.

It's dark on Mountainview Rd.
Time is pushing me forward.
Your footprints are so cool on my heart,
They won't leave me
They won't leave.

These are feelings I hate.
For so long can't get them out of my head.
Cause everybody knows,
Something's always show feelings because of you.

No shadows left on minute places
Lately I've been trading faces
One by one
I can't stop holding on

Looks the way you pour that in petition.
Change your mind, imposition
Darling now what have you done?

These are feelings I hate.
For so long can't get them out of my head.
Cause everybody knows,
Something's always show feelings because of you.

Cause everybody knows,

Something's always show feelings because of you.
