Who else is gonna bring you

A broken arrow

Who else is gonna bring you

A bottle of rain

There he goes, moving across the water

There he goes turning my whole

world around

Do you feel what I feel

Can we make that so it's part of the deal

I gotta hold you in these arms of steel

Lay your heart on the line ... this time

I wanna breathe when you breathe

When you whisper like that hot

summer breeze

Count the beads of sweat that cover me

Didn't you show me a sign, this time

Who else is gonna bring you

A broken arrow

Who else is gonna bring you

A bottle of rain

There he goes, moving across the water

There he goes turning my whole
world around
Can you see what I see
Can you cut behind the mystery
I will meet you by the witness tree
Leave the whole world behind
I want to come when you call
I'll get to you if I have to crawl
They can't hold me with these iron walls
We've got mountains to climb
Who else is gonna bring you
A broken arrow
Who else is gonna bring you
A bottle of rain
There he goes, moving across the water
There he goes turning my whole
world around
