Golden Feather

Robbie Robertson

I think I'm going back to Shenandoah

she said that she'd meet me by the fork in the road

I jump start my old Ford

I'm heading for the pow-wow

follow red path that leads to you.

I gave my love a golden feather

I gave my love a heart of stone

and when you find a golden feather

it means you'll never lose your way back home.

Should I paint my face

should I pierce my skin

does this make me a pagan

sweating out my sins

we ate the sacred mushroom

and waded in the water

howling like coyotes

at the naked moon.

I gave my love a golden feather

I gave my love a heart of stone

and when you find a golden feather
it means you'll never lose your way back home.
In the autumn night
when there's no wind blowin'
I could hear the stars falling in the dark
when you find what's worth keeping
with a breath of kindness
blow the rest away.
I gave my love a golden feather
I gave my love a heart of stone
and when you find a golden feather
it means you'll never lose your way back home
