She broke down

On a highway

Miles from nowhere

It had no number

She was lost

A long way from home

She was fed up

With the routine

And you got trouble

With the man

She blew town

Blew town

With a vengeance

Painted desert

Peyote rain

Lord don't let me

Go insane

Skinwalker

Ooh

Skinwalker

Who am I

Who are you

I was only

Passing through

Skinwalker

Ooh

Skinwalker

A strange encounter

To be sure

He was wicked

He was pure

Hear him calling

He's calling for you

Come with me

Into the mystic

Come with me

Into the night

We can live

Live forever

Live forever

Painted desert

Peyote rain

Lord don't let me

Go insane

Skinwalker

Ooh

Skinwalker

Through your eyes

I can see

You have left

Your mark on me

Skinwalker

Ooh

Skinwalker

Skinwalker

Blow your horn

They're goin'

Blow your horn

Gimme crack horn

Won't you blow your horn

Painted desert

Peyote rain

Lord don't let me

Go insane

Skinwalker

Ooh

Skinwalker

Ooh

He takes you to

A sacred place

Drinks a tear

Off your face

Skinwalker

Hmmm

Skinwalker

Talk to the spirits

Talk to the wind

Hmmm

Skinwalker

Ooh

Skinwalker

Skinwalker
