Everyday, I'm gonna love become what may
'cause I know that there is (nothing that means more)
to a woman than a love that she can count on

Yeah oh oh oh oh ooh
Darling dear yeah (ooh ooh ooh)
whenever when you need me I'll be here (ooh ooh ooh)
'cause I know that there is (nothing that means more to
a woman) yeah than
a love that she can count on

Oh repeat after me now
I remember one day it come to me (I remember one
day it come to me)
The guy next door has money you see (the guy next
door has money you see)
Oh you know he buys his woman everything yeah (he
buys his woman everything)
Oh he buys her cars and clothes and diamond rings
Cars and clothes and diamond rings (cars and clothes
and diamond rings)
And although she accepts the things he buys (tho she
accepts the things he buys)
What she really wants is his love sometimes (really
wants his love sometime)

So oh oh baby I want for you to see yeh eh eh eh
(baby I want for you to see)
oh oh oh oh that you can always count on me
Yeah count on me to comfort you yeah eh eh eh
(comfort you)
When you start to feeling sad and blue (sad and blue)

'cause I know that there is (nothing that means more to
a woman)
yeah I'm here to tell ya' than a love that she can count
on
(nothing that means more to a woman)
oh oh oh ask any woman about it yeah
(nothing that means more to a woman)
Yeah eh eh tell you they can't do without it

(nothing that means more to a woman)
I know that you know how precious this girl is and you
know that
I know my darling that there is
(nothing that means more to a woman)
Oh oh oh not in the whole wide world
(nothing that means more to a woman)

(fade)
whoo hoo ooh ooh you've got to love that girl
