Don't be confused baby, the way is clear
And if you want it you got it forever
Just for a one night stand in bed
Let the music take your mind
And, just release and you would find
We gonna fly away, plan to go my way
I love it when we're cruising together
Music was made for love, cruising is made for love
I love it when we're cruising together

Baby tonight belongs to us
Everything's right, do what you must
And inch by inch we get closer and closer ohhhh
Every little part is in touch
ooh baby, baby oooh
Let the music take your mind
Just release and you would find, baby
I love it I love it
We gonna fly away, plan to go my way
I love it when we're cruising together
Music was made for love, cruising is made for love
I love it when we're cruising together
Ohhh oooh, cruise for me babe
Oh baby let's cruise
Let's flow, let's glide
ooooh let's open up, and go inside
And if you want it you got it forever
I can just stay there inside you
And love you baby, ohhh
Let the music take your mind
just release and you would find, baby
We gonna fly away, plan to go my way
I love it when we're cruising together
Music was made for love, cruising is made for love
I love it when we're cruising together
Ohhh, we gonna fly
We gonna fly away, plan to go my way
I love it when we're cruising together
Music was made for love, cruising is made for love
I love it when we're cruising together
