I don't blame you at all 'cause you played it cool  
You don't owe me a thing 'cause I played the fool  
No no no no no  
I'm only payin' the price for a trip I took to paradise  
'Cause I looked into a pair of eyes  
& what I thought was the look of love was only hurt in  
disguise  
Too bad I didn't realize, oh but don't apologize, no,  
'cause...

I don't blame you at all 'cause you played it cool  
I should've did it myself  
You don't owe me a thing 'cause I played the fool  
No no no no no  
I think it's pretty plain: holdin' you would take a ball &  
chain  
Every bet I made was all in vain  
'Cause what I thought was an ocean of love was just a  
wee drop of rain  
Too bad that it couldn't rain, oh but you don't have to  
explain, no, 'cause...

I don't blame you at all 'cause you played it cool  
I should've did it myself  
You don't owe me a thing 'cause I played the fool  
No no no no no  
I don't blame you at all 'cause you played it cool  
That's the thing to do  
You don't owe me a thing 'cause I played the fool  
No no no no no

(instrumental)

I said, what I thought was sure to last, to last was just a  
minute instead  
Too bad that I got misled, ah but you don't have to  
hang your head, no, 'cause...

I don't blame you at all 'cause you played it cool  
I should've did it myself  
You don't owe me a thing 'cause I played the fool

No no no no no  
I don't blame you at all 'cause you played it cool  
'Cause that's the thing to do  
You don't owe me a thing 'cause I played the fool No no  
no no no ...& fade
