Just to see her  
Just to touch her  
Just to hold her in my arms again one more time

If I could feel her warm embrace  
See her smiling face  
Can't find anyone to take her place  
I've got to see her again

I would do anything  
I would go anywhere  
There's nothing I wouldn't do  
Just to see her again

I can't hide it  
I can't fight it  
It's so hard to live without the love she gave to me

Doesn't she know it  
I tried hard not to show it  
Can't I make her realize that she really needs me again

I would do anything  
I would go anywhere  
There's nothing I wouldn't do  
Just to see her again  
She brightened up my everyday  
Made me feel so good in every way  
If I could have her back to stay  
I've got to see her again
