Oh, yeah....

Chorus:

(I,I,)I'm just a love machine and I won't work for nobody
but you
(I,I)I'm just a love machine A hugging kissing
fiend

Verse # 1

I think it's high time you knew
Whenever I think of you
My mind blows a fuse
When I lookIn your eyes
My meter starts to rise
And I become confused
My motor cranked electric goes
When I'm sitting next to you
Electricity starts to flow
And my indicator starts to glow

Repeat chorus

Verse#2

I'm gentle as a lamb
I'm not that hard to program
There's no way that you can lose
Chassis fits like a glove
I've got a button for love
That you've got to use (push it push it baby)
If you look into my power
I am sure you can find out how
To turn me on just set my dial
And let me love you for a little while ooooooh

Repeat chorus

La... La la la la..... La la la la.. La la
La la la la la.. La la la.... La la laaaaaaaa
Push it push it baby, yeah.....ah, ah

Repeat chorus
