Soft & warm, a quiet storm
Quiet as when flowers talk at break of dawn, break of dawn
A power source of tender force
Generatin', radiatin', turn me on, turn me on
Ah you short-circuit all my nerves
Promisin' electric things
You touch me & suddenly there's rainbow rings
Quiet storm blowin' through my life, uh huh
Quiet storm blowin' through my life, ah
Blow, baby

A windy sigh, weak am I
Butterfly caught up in the hurricane, hurricane
Lucky me, I'm barely free
Suddenly I'm caught up in your sound rain
Ah shower me with your sweet love
I will bathe in every drop through all the seasons
Let it pour & never stop
Quiet storm blowin' through my life, through my life
You're just like a
Quiet storm blowin' through my life

(instrumental)

Ah shower me with your sweet love
I will bathe in every drop through all the seasons
Let it pour & never stop
Quiet storm blowin' through my life, through my life
You're just like a
Quiet storm blowin' through my life
Blow, baby
